[adixplastics.com](http://adixplastics.com)

Adix Plastics Ltd. have been established in Nairobi, Kenya and involved in the injection molding industry for over 8 years manufacturing quality household products. Adix Plastics Ltd. and sister company Crown Industries Ltd. who have been in the same industries for the past 25 years, are the market leader in plastics household, industrial and promotional goods in Kenya and East Africa.

In 2016, Adix Plastics Ltd. and Crown Industries Ltd. merged into a single entity under Adix Plastics Ltd. to form one of the largest plastics industries in East Africa, having more than 120 Injection machines, ranging from 55 tons to 800 tons, and having full range and varieties of products ranging from small cups to chairs, plates to big tables and water bottles to crates. All this under one roof in a state of art new production facility of more than 20,000m<sup>2</sup>.

Today we provide customers with modern, innovative and quality products ranging from household goods, Industrial, food warmers & flasks, furniture, to ball pens and shoes. ADIX is an expert and innovator in the field of plastic molding for quality plastic products. Adix Plastics Ltd, headquarters are located in industrial area of Nairobi.

Choosing Adix Plastics gives you all the advantages of working with a highly professional and reliable East African company while enjoying prices that suffice for everyone's demands.

An efficient customer network, and excellent customer service and wide range of innovative products has given ADIX an edge over other manufacturers. Uganda, Tanzania, Ethiopia, Rwanda, Burundi, Congo, Malawi, Zambia are some of the countries where ADIX products are very well accepted and we are confident of expanding the market to many more countries.

Continuous growth through innovation, customer satisfaction and commitment to excel is our vision. Our vision can only be translated into reality with the support of our valued customers.

#### OUR CORE VALUES

1. Commitment
2. Integrity
